# Cell Cycle Regulators/Inhibitors & Cancer

**International Conference**  
**February 5-8 2011, Vienna, Austria**

The Programme of Cell Cycle Regulators/Inhibitors & Cancer combines plenary lectures, poster sessions, and tours of the beautiful city of Vienna. Approximately 250 participants are expected, including more than 35 speakers and many presentations selected from abstracts.

Vienna is an old romantic imperial city, the world's capital of music and art...but Vienna is also the city of a young and trendy scene, the entertainment metropolis of central Europe, with an extensive program of events and sights - with something for everyone and fascinating all, Vienna is a city not to be missed.
